In The Zone April 2025

Hello Zone 7,

CONGRADULATIONS 2025 Zone 7 Series Autocross and Concours winners!

We had a wonderful Zone Series Awards function Thank you to Porsche Sacramento for hosting the event. Link to photos [Zone 7 Awards](#)

To all who participated throughout the year, I know you had some GREAT times. Huge thank you to the Regions and teams who put on the events and those who volunteered to help make all a success. See the schedules below and come on out and join in the fun.

Annually the Presidents of the Zone and guests meet where I share information from National and work with the team on much of the behind-the-scenes needs for Regions and members. We had Stan Thorne (National PCA Secretary) join as well. Thank you for joining us Stan ... we all loved the stories. A big part of the meeting is sharing ideas and plans for the upcoming year. Thank you all for being there. 2025 is going to be an amazing year.

The Regions of Zone 7 work closely together with many multi Region events and helping each other with events and or event planning.

Zone 7 has an Autocross and a Concours series. I participated in as many of both of those series events as I could. It is a great opportunity to visit the Regions and meet YOU. Also, proof that a slow guy in a base Boxster can have FUN and also be competitive on the Autocross course and do the best I can washing my 996 Turbo to do concours and hang with the concours pros. I can't encourage you enough to join in the different activities that your Region and the Zone has to offer.

See you at an event SOON

Brian

Parade Oklahoma this July!

We are excited to announce that Phase I registration is OPEN

NEW FOR 2025

We are excited to announce that we have a new Parade Registration System! This system was built specifically for PCA and Porsche Parade and will allow for a more seamless registration process. That said, we understand there will be a learning curve, so we have created a [VIDEO GUIDE](#) on how to register using the new system. The [PDF GUIDE](#) is attached and is also available in the Resources section of the new registration system.

In Phase II you will register for Banquets / activities / tours and more.

A quick note, be sure your info is current with PCA National. This ensures that your profile and settings are correct. This info is used for mailing / emails and by your Region for their communication methods (correct info makes registering for national events seamless)

Please ensure that your PCA membership information, including address, home/cell phone numbers, and, most importantly, email address, is up to date on your PCA member account. IF you have opted into “Auto Renew” you will also see payment info and update options. You may update your information in your Member Profile on PCA.org or by calling PCA National at 410.381.0911 .

Looking forward to seeing you at an event in 2025

Brian

Please let me know if your Region has an event that is open to other Regions / needs broader participation reach. I am happy to share that information.

2025 Sacramento Valley Region ([SVR](#)) Time-Speed-Distance (TSD) Rally Series

- Open to all members in all Regions.

The Sacramento Valley Region (SVR) of the Porsche Club of America will be hosting a series of Time-Speed-Distance (TSD) road rallies that start at various locations within the greater Sacramento Region.

Prior to the first event of the series, SVR will have a TSD Rally School to include a classroom session providing an overview of rally procedures including how to follow route instructions and an introduction to the Richta timing system. The classroom session will be followed by a short practice rally.

The rallies are scheduled for Saturdays with the first car departing at 9:31 AM. They will typically be 90 to 120 miles in length and less than four hours in duration. The rallies will have reasonably easy to follow directions using mostly scenic low volume paved roads.

Route instructions will be consumable for the beginning rallyist but still providing challenges and learning experiences for all participants.

The schedule of 2025 events are as follows:

- Rally School–Porsche Rocklin: March 30th
- Spring Flowers Rally: April 26th
- Shenandoah: June 14th
- October Surprise Rally: October 4th
- Turkey Run Rally: November 15th

Time and location details for all events will be posted to the SVR website svr-pcaor.org

Registration for all events will be through MotorsportReg.

The entry fee for each event will be \$25 per car. Entry requires a street-legal vehicle, a licensed and insured driver, a navigator, and a smart device (e.g., cell phone or tablet) running the FREE Richta GPS Competitor 'app'.
