## **In The Zone February 2026**

Hello Zone 7!

February is here, and you can feel it - the days are getting longer, the weather is starting to cooperate, and that familiar itch to drive is back. As we move out of winter, the calendar is filling quickly with opportunities to get behind the wheel, connect with fellow members, and kick off what promises to be a fantastic PCA year.

Driving season is fast approaching, and many of our Regions are already gearing up with Driver Education, tours, autocross, and social events. If your Porsche has been sitting a little too quietly lately, that's about to change.

### **Porsche Parade Turns 70!**

One of the biggest highlights of 2026 is the 70th Porsche Parade, being held June 14–20 in Lake Placid, New York. Parade is truly PCA's signature event—part motorsport festival, part social gathering, part Porsche celebration.

If you've never attended, Parade offers something for everyone: autocross, concours, rally, tech sessions, scenic driving tours, hospitality events, banquets, vendor displays, and plenty of time to connect with members from across the country. It's an unforgettable experience and a milestone year makes it even more special.

Phase One registration opens January 28, and I strongly encourage you to take a look at the details. Information and links are provided below.

## **PCA Treffen @ Sea – Pacific Wine Country Cruise**

Registration is also open for the PCA Treffen @ Sea Pacific Wine Country Cruise, sailing September 19–25 aboard the Grand Princess. This is a unique PCA experience that combines great destinations, camaraderie, and Porsche-themed activities at sea.

I highly encourage you to consider joining this cruise. Several Regions are already planning shore excursions and group activities for those attending, making it a fantastic way to travel and connect with fellow members in a relaxed, fun setting. Details and registration information are included below.

## **Spotlight Event: CRAB 39**

Up next on the Zone calendar is Sacramento Valley Region's CRAB 39, being held at the Hard Rock Hotel & Casino Sacramento at Fire Mountain—and it's now open for registration and hotel booking.

CRAB 39 is a can't-miss event and includes:

- Welcome Reception
- Crabkhana
- Driving Tour
- Treasure Hunt
- Paint & Sip
- Gala
- Rally
- Concours
- Tech Session
- Sunday Beers & Brats
- Vendor Row
- Autocross
- Awards Send-Off Event

If you're looking for a weekend packed with variety and fun, this is it. Information and links are provided below.

## **Zone Series Updates**

The Zone 7 Autocross Series calendar is now complete and posted below—time to pick your events and start planning.

The Zone 7 Concours Series is nearly finalized, with full details listed below as well.

New additions this month include Driver Education dates from Diablo Region and Golden Gate Region. If DE is on your list this year (or if you've been thinking about trying it for the first time), now's the time to check those out. Links and information are included below.

We're also highlighting PCA Club Racing West Coast Series events that will be hosted by Zone 7 Regions in 2026. These events are listed in a chart below, along with links for additional information.

## Stay Connected

A quick reminder to stay connected with Zone 7 on social media and on the web. Our Facebook pages and Zone website are the best way to keep up with events, schedule changes, and opportunities across all Regions. Links are included below—make sure you're following along.

There's a lot happening, and this is only the beginning. I'm looking forward to seeing many of you out on the road, at the track, or at an event very soon.

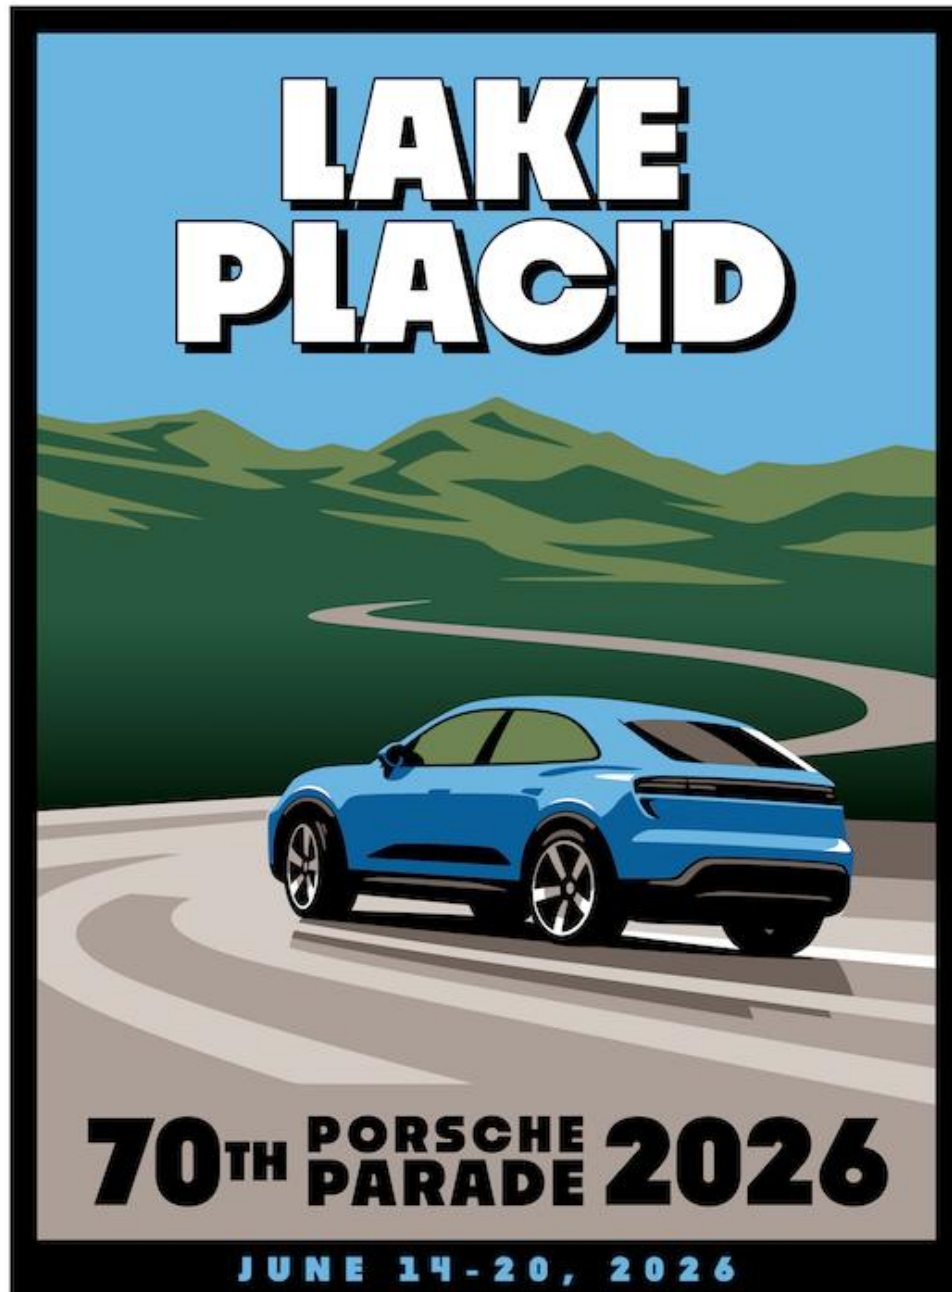

Until then—drive safe, stay connected, and enjoy the season ahead.

## What is CRAB 39

### **The 39<sup>th</sup> gathering of Porsche Club of America (PCA) Zone 7 members for a multi-day, multi-region event to celebrate all things Porsche.**

Continuing a tradition first hosted in 1972, the Sacramento Valley Region of the 169,000 member Porsche Club of America (the largest single marque car club in the world) provides a venue to socialize with like-minded fans of the Porsche brand. A wonderful way for long time members and newer members to have fun and socialize during one weekend, at one location, hosting a variety of driving and non-driving events.

What does "CRAB" stand for? The "C" stands for crab feed, the "R" stands for rally, the "A" stands for autocross and "B" stands for the German word "begegnen" which means a gathering or meeting.

But those are not the only activities. Driving tours, Funkhana style competitions, concours car showings, tech sessions, vendor displays, treasure hunt and Porsche themed paint n' sip event compliment the all-you-can-eat crab and lobster dinner and finally, what German themed event would be complete without a beer n' brats lunch.

Historically CRAB draws 250 to 300 members. This year's event will be hosted at the Hard Rock Hotel & Casino just north of Sacramento with the autocross event just 1.4 miles down the road at the Live Nation Toyota Amphitheatre – providing for all the activities to be close and centrally located. An attractive room rate has been negotiated with the hotel for those that desire to stay on site.
