## **In The Zone May 2025**

Hello Zone 7,

Bring on the events. You may have already participated in an event or 2 or more in 2025 ...

SO many more scheduled and in the works. I encourage you to also look at what the other Regions in our Zone are doing, when an event can accommodate a greater number of participants, I'll share that info here and on our social media platforms. If you / your region is planning an event that can have a larger number of participants and you want help spreading that word, please reach out to me.

Below are the Zone 7 Series event schedules (Some with registration links or they are coming soon).

If you want to do a PCA National event Parade Oklahoma is still open for Phase 1 (Registration and hotel). Phase 2 will be event sign up and that should be open in late May.

What about a cruise? Treffen at Sea – New England is also open for registration. Link below.

Parade Oklahoma this July!

We are excited to announce that Phase I registration is OPEN

### **NEW FOR 2025**

We are excited to announce that we have a new Parade Registration System! This system was built specifically for PCA and Porsche Parade and will allow for a more seamless registration process. That said, we understand there will be a learning curve, so we have created a [VIDEO GUIDE](#) on how to register using the new system. The [PDF GUIDE](#) is attached and is also available in the Resources section of the new registration system.

In Phase II you will register for Banquets / activities / tours and more.

A quick note, be sure your info is current with PCA National. This ensures that your profile and settings are correct. This info is used for mailing / emails and by your Region for their communication methods (correct info makes registering for national events seamless)

Please ensure that your PCA membership information, including address, home/cell phone numbers, and, most importantly, email address, is up to date on your PCA member account. IF you have opted into “Auto Renew” you will also see payment info and update options. You may update your information in your Member Profile on [PCA.org](http://PCA.org) or by calling PCA National at 410.381.0911 .

Looking forward to seeing you at an event in 2025

Brian

*Please let me know if your Region has an event that is open to other Regions / needs broader participation reach. I am happy to share that information.*
