## **In The Zone November 2024**

Hello Zone 7,

October saw the last Zone 7 Series Concours and Autocross events. Thank you to Roy Schauben and Simone Kopitzky, our Concours Co-Chairs and Brant Ballantyne our Autocross Chair. They work with the Region Chairs and team to bring two series to our members. Thank you to ALL the volunteers that make these events happen. And thank you to all the participants. I invite each of you to come check out either or both of the Zone Series in 2025. We have many classes where you can be part of the event. Or come out and just visit. Calendars and information to come soon.

There is a Zone Series Awards event that will be held early March, look for info. Fun times, GREAT people and of course some amazing cars we all love. I participated in both series this year and learnt that even without the cleanest car or the "cleanest" / fastest course time you can have a blast. Now I know what to clean and what's needed on the AX course. (Anyone got some rims for a Boxster? I "need" sticky tires, Ohhh and maybe some microfiber polish cloths)

Look for results on the Zone web and I'll add to a future "In The Zone".

November brings the time of year when we give thanks.

I am thankful for my family and friends. Many of my friends are those I have met through PCA over the years. I feel so fortunate to have YOU in my circle of friends. Best to you in these and the upcoming holiday season.

Looking forward to seeing you and an event.

Brian
