In The Zone October 2023

Hello Zone 7

Another event packed month! September was a BLAST!

My month started with visiting the Yosemite Region New Member event. FUN times with a personalized wine tasting and some great food. Yosemite Region is on a roll with loads of enthusiasm and activities. Welcome new members and all.

The Golden Gate Region DE and Club Races at Laguna Seca were a blast. If you have even thought of doing a DE, I can't more highly recommend it ... Learn your car and what you can do with one-on-one instruction (see schedule below). Get up close with the racecars and watch some exciting racing.

I am writing this while at Treffen St Louis, Gateway to the West ... Getting ready to go to the cocktail party and dinner. More on that next time

Wanted to get this out early as there is a big event coming up ...

DID YOU ENJOY RENNSPORT?

Thank you to the over 550 volunteers who raised their hand.

PCA Hospitality had more than 50+ speakers and special guests.

There was a special presentation of the Transformers movie on Friday night.

Saturday night was a concert. Some group called the Dobbie Brothers. All part of their 50th Anniversary Tour (but not on the tour schedule).

Thank you and see you at an event soon.

Brian
